Welcome to the Summer Workshop!

- Greetings from the NViTA Project Team
- Congratulations on becoming Summer Fellows
 - Second and largest of three cohorts
 - From eight countries and wide range of academic backgrounds
- Broadcasting from the University of St Andrews and our homes near St Andrews
- This presentation will be posted to Summer Workshop 2021 page

Brief NViTA team introductions

- **Who is who?**

- John Perry, Project Director
- Joanna Leidenhag – Lecturer
- Mikael Leidenhag – Science and Theology Editor
- Sarah Lane Ritchie – Lecturer
- Kevin Nordby – Teaching and Learning Adviser
- Dorothy Campbell – Project Administrator
- Sterling Yates – Project Manager

Why a virtual Summer Workshop?

- International travel still too complicated
- Main goals:
 - Raise community knowledge of science-engaged theology by spending time with leading experts contributing to science-engaged theology
 - Summer Fellows get to know one another
 - Give Fellows resources to apply for additional funding through NViTA Follow-on Funding scheme (August 2021 onwards)

Maximising your three days

- Bookmark the Summer Workshop page

<https://tinyurl.com/nvita-sw-2021>

- Note in the Schedule which Small Group you are in - 1, 2 or 3.
- **Sessions:**
 - Small Group sessions are just for your small group, your moderator, and your presenter.
 - All other sessions are plenary and are noted 'All attendees'.
- **Watch** the 'Pre-recorded content' to get the most out of the Workshop.
- **Keep open the Schedule link**
- **Polish** your theological puzzle throughout the Workshop
(Puzzle link and puzzle feedback sent to you in email from setheology@ shortly before Workshop.)

Housekeeping

- Your video feed – feel free to keep it on throughout the Workshop
- Your audio - please keep muted *except*
 - During Q&As
 - During any time in Wonder.me Breakroom, of course!
- Asking questions – use the Zoom 'Chat' function to indicate you have a question
- Step away any time you need to, for refreshments etc
- Session presentations will be recorded and shared; Q&As will not
- The toilets are just down the hall and no fire drill is planned 

Breaks and networking

- We are using a single link to a virtual 'break room' provided by Wonder.me
- Breakroom 'open' throughout whole Workshop
- Meet people via direct messaging or small group video chats
- **Breakroom link found in Schedule – no password**
